

Triangle

Now we have triangular trays, something you would have thought was already available, but wasn't. Now you can make triangular sweets rather than cutting slices from whole cakes. Apart from being used in baking, these can also be used as torte-shaped paper pans. A new way to enjoy sweets, brought to you by TEMMA.

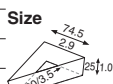

TG-01 Triangle cup (mon amour)	3802401
Material	Greaseproof ivory paper
Function	Greaseproof, Heat resistance
Use	Baking, Decoration
Capacity	75/2.5 Weight 3.30/0.12
Entries	1500 pcs (50 pcs x 30)

Kraft baking tray

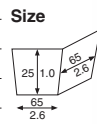

Up until now, unbleached kraft paper was thin and unsuitable for baking trays. TEMMA would like to introduce you to our new unbleached kraft paper baking trays, developed in collaboration with paper manufacturers, greaseproof and strong to stand up to the requirements of baking. The simplicity of the unbleached materials draws out the taste of your sweets and lets the ingredients speak for themselves.

Greaseproof Unbleached Kraft Paper is

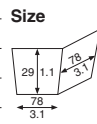

An original brought to you only by TEMMA.

Loaf tray

This baking tray reduces as much as possible the widening of the top during baking with its solid double-folding construction on the top of the sides.

These trays are made from greaseproof, unbleached kraft paper that TEMMA has developed in collaboration with paper manufacturers.

This new kind of baking tray is only available from TEMMA.

Greaseproof Unbleached Kraft Paper is

An original brought to you only by TEMMA.
