## Original paper bags

We accept orders starting from 500 pieces for original paper bags.

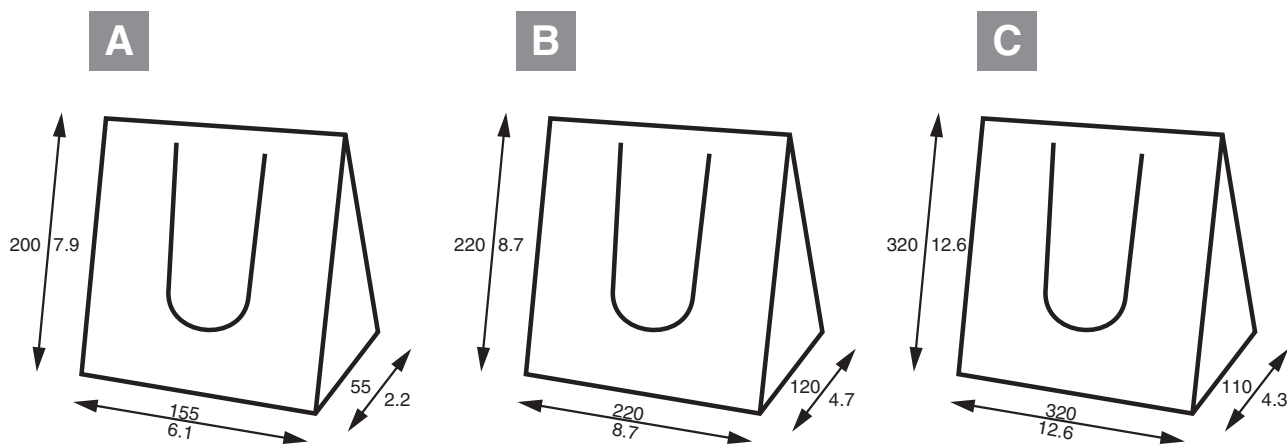

**Original designs using one to four colors** If you choose a standard size, we can produce lots starting at 500 pieces.

### Original designs using one to four colors

We will print to your requirements, for example in your shop colors, your name, or anything you want. We use the CTP (Computer To Plate) system so there are no initial plate-making costs.

### Produce original designs starting from 500 pieces

If you choose one of the standard A, B, or C sizes, we can produce lots starting at 500 pieces. We can also accept small orders for paper bags of unusual sizes. Please let our sales representative know your requirements.

**Hot stamp (Silver and Gold)** We also take orders for hot stamping for small lots.

### The glossy finish enhances the image of your products.

Hot stamping is characterized by the glossy metallic finish, impossible with normal ink.

Make your own original paper bag that has class and style by hot stamping your shop's logo or emblem.

× A separate charge for plate-making will be made for hot stamp printing costs.  
× You can change the sizes and materials used. Please contact our sales representative.

Make sure that all important message remains in your customer's mind

## Kraft bag

The natural material used in kraft paper is ideal for take away bakeries. These are pouch style gusset bags that can stand by themselves, making them easy to use. We can also custom print original designs on these bags, so please feel free to ask us.
